

# Celebrate CHRISTMAS IN STYLE

A delightful treat for the tastebuds...

### LET US MAKE YOUR CHRISTMAS SPECIAL

The Gaddum is dressed for Christmas. Relax in the cosy lounge while you select your festive drink. We will serve you your champagne, mulled wine or cocktail while you enjoy the fire and the magnificent lakeland views.

Whether you're arranging a Christmas party for colleagues, a festive feast with friends, or a lovely lunch with family – join us this Christmas for the 'five star experience' that has been getting The Gaddum noticed since it opened in April 2018 – with a little extra festive magic.

The Gaddum at Brockhole, the white Arts & Crafts house set in 30 acres of landscaped grounds overlooking Windermere, is ideally located to enjoy gardens and lakeshore walks or stay cosy inside and visit The Gaddum Gallery or Brockhole's Christmas shop.
